Dear Parent/Carer

We recently started using Class Charts at Guru Nanak Sikh Academy. Class Charts is an online system which teachers use to track achievement and behaviour throughout the school day.

We believe in working closely with parents and one of the key benefits of using Class Charts is that we are able to securely share your child's achievement and behaviour report with you and so keep you up to date in real-time.

Please see the attached sheet to access your child's unique access code details and log in guide. Please do not share the codes or passwords with your children.

Please note that you must have a valid email address to create an account and it must be the email address that is associated with the school. You can use the unique access code and create an account using the link below:

<https://www.classcharts.com/parent/login>

Links to mobile phone apps are also available to parents from this page.

If you have more than one child in the school then you can enter additional codes once you have created an account and are logged in.

Please contact the school if you have any further questions.

Yours faithfully

Mrs P Dhaliwal
Vice Principal
