Dear Parents/Carers

## Year 5 Autumn Curriculum

We would like to begin by wishing you a warm welcome to the new academic year. We hope you had a restful and enjoyable summer break and that you are excited to embark upon a successful academic year. Please find below some information for the term ahead. Also note that we will be sharing a welcome meeting video in the coming days which we strongly encourage you to watch. We are sure that with your support we will have a productive start to the new school year.

## Welcome Meetings

We are pleased to be able to welcome you to a face to face welcome meeting on **Thursday 29th September from 8.30am to 9am**. This will take place in the **Hub**.

During this meeting we will be covering expectations and timetables for the year ahead.

## Curriculum Coverage

Curriculum maps for the autumn term have been sent to you today. They will also be saved on the school website under the 'Curriculum' section, sub-section 'KS2, Year 5' and be uploaded on to Google Classroom under the 'Parents Resources' section. Please note that our curriculum maps now contain a 'How you can help at home' section for each topic. We hope you find these tips helpful and that you will utilise them at home to allow your child to develop and consolidate different areas of learning at home.

## Parent Partnerships

We would encourage you to regularly engage with our website, it contains information around our curriculum and provides additional guidance such as 'Healthy Home Habits' and 'The Importance of Reading' in addition to guidance about e-safety. Videos and resources are saved on the website under the 'Parents' section and we would highly encourage you to watch these and to access the associated resources on the website.

## Useful Websites

In addition to our subscribed platforms (Manga High, Times Table Rockstars, Myon and LBQ) we also encourage you to access the websites below to help support your child in their learning.
