1st March 2024

Dear Parent/Carer

Re: Year 13 Geography A Level Revision Day - Wednesday 20th March 2024

Your son/daughter is taking A Level Geography. With the A Level exams approaching, he/she is able to attend a Geography A Level Revision Conference. This is on Wednesday 20th March 2024, and is an all-day event. The day offers revision and exam tips across the whole syllabus, and will be invaluable in aiming for higher grades. Last year's Year 13 students and I attended this event and found it very useful for revision, so I highly recommend it.

The event is between 10:45am and 3:40pm. Students will make their own way to the venue Friends House, 173-177 Euston Road, London NW1 2BJ - by public transport, and meet me outside from 10:30am. Your son/daughter should be home by 5:30pm, unless he/she chooses to do something else afterwards locally, which he/she should discuss with you beforehand. I will be in attendance at Friends House for the duration of the study day.

The cost for this trip is £30.00 per student, which will be **payable via School Gateway by 15th March 2024**. The portal is now open for you to make payment. Students will also need an Oyster card or debit/credit card to enable them to travel on buses and tubes. They should also be addressed appropriately as ambassadors of our school, but mindful of the weather that day. The trip will be fully risk assessed.

Please ensure you complete and sign the attached Parental Consent Form which must be **returned to me in Room 41 by Monday 11th March 2024**.

Students with allergies, asthma or medications must be clearly stated. If your child suffers from Asthma or requires an Epipen (x2), please ensure that the appropriate medication/inhaler is provided otherwise they will not be allowed on the trip. If your child no longer requires their inhaler/Epipen, but still appears on our medical records, please contact the Welfare Office to amend your child's records (medical evidence must be provided prior to the trip).

Yours faithfully

S Szerezla
Head of Geography
