Dear Parent/Carer

## **Year 7 to Year 13 - Bright Minds Careers Fair – in School Event Tuesday 5th March 2024**

We have worked hard to develop and maintain a programme designed to fully support all students with making the right decisions for their future.

We want our students to be as aspirational as possible and reach their full potential. With this in mind, we provide the following provisions to all students before their GCSE period:

- 1:1 Careers face to face meetings with our Careers Advisor
- Evening Presentation for parents and students in Year 11
- Work Experience Programme for Year 10 and Year 12 students
- Careers Fair
- Form Group Workshops

In addition to the above, we also provide regular information for students and parents about open events that take place at local/specialist colleges and school sixth forms throughout the year via the School Website and Google Classroom.

**On Tuesday 5th March 2024**, students will take part in a Bright Minds Careers Fair – in school event. The purpose of the day is to introduce all students to a wide range of careers and to explore the range of choices prior to their next steps. We have invited guest speakers from a range of establishments to give presentations about pathways into their careers. Some of those attending are:

Royal Holloway University, SCS Railways, Barnes Roffe, NHS Education, Uxbridge College, Brunel University, City University of London, Army, EDT, Metro Bank, St Mary's University, ISG Construction, University of Derby, Hillingdon Council, Colt, Freelance Journalist, West Thames College, Sikh Lawyers Association, and the Home Office.

Should you have any questions or queries about Careers, please do not hesitate to contact me.

Yours sincerely

Mrs J K Heer
