Dear Parent

RE: Settling In Evening (Years 7, 8, 9 & 10) Non-Compulsory Attendance

Students have now completed half a term of this academic year and we have been monitoring their academic and social progress as well as their general behaviour. As a result of this, teaching staff have completed a Settling-In report to comment on your child's effort, conduct, classwork and homework in each of their subjects. These reports will be available via the parent and student Go4schools App. If you have not already done so, please see attached details on how to access Go4Schools.

We are delighted to inform you that your child has had an excellent start to the academic year. Your child's report suggests that they are making either 'Outstanding (1)' or 'Good (2)' effort in all or nearly all subject areas. Your child should be proud of the start to the new term and we hope this continues throughout the year.

As a result, it is **NOT compulsory** that you partake in Settling-In Evening planned for **Thursday 11th November 2021 between 3.30pm and 5:30pm**. However, if you still wish to speak to your child's Form Tutor then please use the Parents' Evening Booking system (link below) to arrange a time (this event will be held virtually).

In addition, you can also monitor your child's achievement points and behaviour via the **ClassCharts Parent App**. Please monitor this regularly as this gives parents up-to-date information regarding positive and negative points obtained by your child both inside and outside of the classroom.

Thank you for your continued support.

Yours faithfully

Mr T Perryman
Assistant Principal
