Dear Parent

RE: First Day of Term Arrangements (January 2022) – Secondary Phase

We hope that you are all keeping safe and well.

The latest DfE guidance indicates that all secondary aged students are required to complete a lateral flow device (LFD) Covid test on return to school in January. The government's mass testing programme is designed to test as many secondary school students as possible, in order to identify any asymptomatic cases. This is to ensure that our school remains as safe as possible following the Christmas holiday.

We ask all parents to continue with Lateral Flow Testing at home during the Christmas holidays and twice weekly testing after the holidays, as per government guidelines. Please see links below for further information and how to report results:

<https://www.gov.uk/report-covid19-result>

The following schedule is the set times for when each GNSA Secondary year groups will be required to test, on school site, as per government guidance prior to their return.

Students should arrive and enter the school via the staff car park and go directly to the Sports Hall at the allocated time on the schedule below. Your child does not need to come in school uniform for testing, however, as the school is using the Sports Hall, appropriate footwear must be worn (trainers).

From Thursday 6th January 2022, ALL secondary students will be required to be in school for the official start time of 8:00am and finish their day at 2:50pm.

We look forward to welcoming everyone back and are working hard to continue to make the school a safe and enjoyable environment.

Wishing you and your family a Merry Christmas and a peaceful and prosperous New Year.

Yours faithfully

Mr J S Sidhu
Executive Principal
