Dear Parents/Carers

At Guru Nanak Sikh Academy, we recognise the importance of speech, language and communication skills as these are crucial to a child's overall development. Being able to speak clearly and process speech sounds, to understand others, to express ideas and interact with others are fundamental building blocks for a child's development.

Therefore, we would like to invite you to attend a **virtual parent workshop** with a Hillingdon Speech and Language Therapist, focusing on supporting your child's speech, language and communication skills. The therapist will be joined by a member of staff who will be offering opportunities to translate into Punjabi throughout the session.

This will take place on **Monday 29th November at 9am** and can be accessed through the following link:

Yours faithfully
