Dear Parents/Carers

Year 3 'Portals to the Past' Workshop - Stone Age to the Iron Age

We have booked a workshop to explore the important developments that helped to make us who we are in this engaging and interactive workshop to support our Prehistoric Britain topic. The children will have the opportunity to take part in a group investigation where they are able to explore the numerous informative displays and artefacts and get hands on experience of ancient technology and skills. The day is split into the following subtopics: Palaeolithic and Mesolithic Periods, Neolithic Period, the Bronze age and the Iron Age.

Prior to the workshop, we will be sending information on dressing up ideas for the day to provide the children with a fully immersive experience!

The workshop will be visiting us on Tuesday 4th October 2022. We are asking for a contribution of £7.10 per child that is payable via your School Gateway account. Please ensure payment is made **by Monday 26th September 2022** and that you give your consent for your child to take part in the Workshop.

Yours faithfully
