Dear Parent

RE: Uniform Swap Shop – Secondary Phase

I would like to take this opportunity to invite students in Years 7, 8, 9,10 & 11 to participate in our Uniform Swap Shop.

The cost of living crisis is evident and is affecting families more and more. We endeavour as a school to support families and also the environment.

On 16th December 2022, 31st March 2023 and 19th July 2023, there will be a Uniform Swap Shop running in the Secondary school atrium from 1pm to 2pm.

If you have any unwanted items of school uniform in re-usable condition (blazer, trousers, shirts, ties, shoes) that you would like to donate to the swap shop it would be gratefully received. Donated items should be washed and bagged and brought to the Secondary school reception in the coming weeks where they can be organised for the swap shop days.

Alternatively, if you would like to attend the swap shop on the specified days to select uniform items you are more than welcome.

We plan to hold the swap shop at the end of each term and will continue to accept items throughout the year. Please see link below:

Thank you for your continued support.

Yours faithfully

Mr T Perryman
Assistant Principal
