Dear Parents/Carers,

Response to Government Update -GNSA Secondary

We would like to thank you for all your support with your child's home learning so far and we hope you and your families are keeping safe.

Following the Prime Minister's address to the nation on Thursday 28th May and the prospect of schools opening to Year 10 and Year 12's, we wanted to update you on the school's position.

At this point, schools have been following government guidance with regards to opening on June 15th for Year 10's. The Government's plans have been specified at present and will proceed with the opening if the Government decides that it is safe to do so.

It is also essential that we have sufficient staffing availability and that we protect our staff, whilst ensuring that we fulfil our ultimate duty in safeguarding all pupils. With this in mind, at this stage we would like to gauge parental responses and anticipated pupil numbers.

We will continue with online virtual learning via Google for all Year 12 students and therefore they will NOT be required to be in from June 15th on the basis that their learning will continue online.

We will be running a reduced curriculum for Year 10 students with a mixture of online and face to face taking place however we will need to know student numbers in order to prepare for this.

For those parents that decide to keep their children at home, we will support you in your decision and will ensure that online learning continues via the Google platform.

We would be grateful if all parents with children in Year 10 could complete a survey that will be sent to you separately today, by Wednesday 3rd June 2020.

We will do everything we possibly can to create a safe and secure learning environment for your child, all of which will be shared with you ahead of opening. Whilst preparation is already taking place for all eventualities, at this point there is no certainty that school will open.

As mentioned home learning will continue through Google Classroom at this stage and we would once again like to thank you for all your support through this challenging time.

Yours sincerely,
Mr A. Donofrio
