Dear Parent

RE: Year 9 Options Evening – 28th February 2023

We are pleased to invite you to our Year 9 Options Evening on Tuesday 28th February 2023 from 4:30pm to 6:00pm with a presentation to parents at 5:00pm. The evening will give you an opportunity learn more about the various subjects on offer, talk to subject leaders and attend talks informing you about the latest developments. We hope the information provided will be useful in helping your son/daughter make informed choices about their pathways at Key Stage 4.

To support this process, you have already had the option blocks shared with you along with a special assembly for your child in school. This letter contains links to the options web pages where you can find information about the different subjects and what they offer. The same information is also available on the curriculum pages of the main school website. After the event on the 28th February, your child will have until Friday 10th March to make their decision using an online form.

It is essential that your son/daughter attends the evening with you as they will need to understand why they have made their choices; as we will not be able to make changes once the courses have started.

We look forward to welcoming you to Options 2023.

Yours faithfully

Mr J Perkins
