

Guru Nanak Sikh Academy

Aspire ~ Acquire ~ Achieve

Founder: Sant Baba Amar Singh Ji

Chief Executive Officer: Mr Jaskamal S. Sidhu

21st June 2023

Dear Student

Year 11 into Year 12 Taster Days

Following your conditional offer at Guru Nanak Sikh Academy Sixth Form, I am writing to inform you of the Taster Days on **Monday 26th June 2023 and Tuesday 27th June 2023**.

The purpose of the taster sessions is to give you the opportunity to participate in typical A-Level lessons. This will provide you with a clearer idea of what the courses entail and the opportunity to ask subject teachers any questions about course requirement and expectations.

Registration with your Form Tutor on both days. The outline of the programme will be explained and there will be an opportunity to ask questions.	Monday 26th June 2023 & Tuesday 27th June 2023 7:50am Current Form Rooms
Where you have a gap between the lessons, you will be assigned a class/Library/Sixth Form Common Room to complete transition activities or assigned tasks.	Periods 1 to 7 - see Timetable The Taster Days timetable will be posted on Year 11 Google Classroom so that it allows you to plan your day. Please review the timetable as to where you should be for each period and bring this list with you.
End of School.	2.50pm

You are expected to attend in smart business wear with a head covering and bring appropriate stationery and a note book.

You should refer to the codes sent by Mrs Soneji to join the 2023 Transition Google Classroom for updates and work to consider on Taster Days.

Subject teachers will be provided with a register according to your chosen subjects and your attendance is vital. Failure to attend may suggest that you no longer wish to pursue that subject. You may be allocated some lesson time in alternative subjects - but you only need to complete transition work in your subject choices.

We look forward to seeing you on the Taster Days and wish you well for your remaining exams.

Yours faithfully

Christine Wilson
